The Service Project

Our service project is to make fleece blankets for Children's Hospital. The Children's Hospital depends on donations from organizations like ours to give each child a security blanket upon admittance into the hospital. Children's gives away 300 blankets per week. Our studio's goal is to donate at least 300 blankets.

We Need You!

Please donate today to support our service project
with a \$10.00 cash contribution!
